

SHENANDOAH AREA COUNCIL
BOY SCOUTS OF AMERICA
OFF-SEASON CAMPING AT CAMP ROCK ENON
Reservations Online at: www.sac-bsa.org/offseason

FACILITIES

Camp Rock Enon operates weeklong resident camps during the summer. Many of our facilities are constructed for resident camp and special Council event usage only.

We welcome your use of our cabins, shelters, and campsite areas for camping during the fall, winter and spring months. Camping at Camp Rock Enon is primitive; do not expect the luxuries of a summer home. Most cabins are one room log or wood structures equipped with electricity, a wood burning stove or fireplace, bunk beds and tables. Most campsites have a pit latrine, shelter, tent platforms and a campfire circle. A supply of firewood for your campsite and/or cabin is available for purchase in advance when you register. If during your stay you need to purchase additional firewood, contact the camp master on duty. Drinkable water is typically available in most campsites from April thru October. During the months of November thru March drinkable water may be obtained at Garrabrandt Lodge, see the Camp master on duty **(THIS IS WEATHER DEPENDENT – AT TIMES WE HAVE FROZEN PIPES AND WATER CANNOT BE GUARANTEED. WHEN IN DOUBT, A SCOUT IS PREPARED. BRING WATER!)**.

RESERVATIONS/FEEES
