Council
Unit Membership
Recruiting Plan**

#ScoutMeInSAC

Welcome

The goal of the Council membership committee, comprised of volunteers and professionals from our Districts, is to help units grow in membership, retain members, assist in the Webelos-to-Scout transition, build new units, and foster community relationships.

This is an awesome responsibility to keep Scouting thriving and cannot be accomplished alone. With the help of our chartered organizations, community resources, unit leaders and District/Council volunteers, we are on the path to achieve our goals. Youth membership in the Shenandoah Area Council is growing and will continue to grow as we work together to offer every eligible youth the opportunity to join our great programs.

Please use this membership guide as a resource to help your unit plan and achieve its membership objectives. It is a map to Scouting success and is sure to lead you on the right path to Be Prepared!

Who Can Help?

Your Scout/District Executive

This is your Scouting professional who, along with your District membership chair and commissioners, can help identify the resources and know-how to help your unit be successful. They help increase the District's membership, financial resources, and programs. They work with volunteer committees and community leaders to identify, recruit, train, guide and inspire them to become involved in youth programs.

District Membership Chair

This volunteer focuses on membership growth and retention for all units in your District. They set membership goals, cultivate interest of Scouting within the District and help units with membership opportunities.

Please visit www.SAC-BSA.org for contact information.

Unit and District Commissioners

These leaders help Scouting units succeed. They coach and help maintain the standards and mission of the Boy Scouts of America. They support the membership process and thru timely charter renewal.

Unit Alumni

What better place to look than within your own ranks? Alumni from your unit know the benefits of Scouting and can be a great supporter to help recruit, serve as leaders, and get adults and youth involved.

Chartered Organization

Your chartered organization already knows the value of Scouting. They can be a great resource to help you get the word out and recruit youth and adults.

Unit New Member Coordinator

Sustaining strong membership in a unit depends not only on having new members join the unit, but also on engaging youth and their families in the unit experiences so that they feel welcomed and want to stay. The role of the *New Member Coordinator* is to ensure that both keys to success take place.

The New Member Coordinator (NMC) position has been designed to:

- Be a FUN and engaging position.
- Form relationships with new members and their families.
- Use a team approach by encouraging more than one NMC in a unit, allowing them to tailor their work to individual interests/expertise, as well as to recognize the needs of the unit.
- Fit every type of unit, every age level and every program.
- Be recruited and supported by key unit leadership.
- Be provided with training both online and face-to-face.
- Be mentored by the District membership chair and become part of the District membership team.
- Be visible and easily identifiable at unit gatherings by their welcoming smiles and their BSA "Welcome" logo that they display and wear on an activity shirt, on a hat, vest or in some cases, a pin on a field uniform.

Please visit scouting.org/nmc for more information and resources.

Is Your Unit on the Map?

BeAScout.org is a great tool for families to find your Scouting unit and, with our Council participating in the **Online Registration**, an opportunity for youth registration to be completed online. It's critical to make sure your unit's BeAScout pin is accurate and creates a positive first impression. Are you set for the Family of Scouting? Does your unit have a Facebook page and a Google site?

Who Can Update Your Unit's BeAScout Pin? Your unit's "key-3:"

- Unit Leader (Cubmaster, Scoutmaster, Crew Advisor, or Skipper)
- Unit Committee Chair
- Unit Chartered Organization Representative

How Do They Update Your Unit's BeAScout Information?

A member of your unit's key-3 should login to their account at my.scouting.org. There are links to help if you have forgotten your username or password.

Packs can now identify their type of Pack and when they will begin that model. (Full Family, Boy only or Girl only)

- Step 1: Log in to your My.Scouting.org and select Menu at the top left
- Step 2: From the drop-down menu, select your unit
- Step 3: Select Organization Manager
- Step 4: Select the Settings tab
- Step 5: Scroll to Family Scouting

Resources to Support Your Recruitment

The Shenandoah Area Council provides its units with promotional materials free of charge to support recruitment efforts. Contact your District membership chair or professional and provide your unit's recruitment event information (date, time, location, contact name/phone/email) and we'll customize and print fliers for distribution in school take-home packets and at school talks, where allowed. Your unit may also post fliers or posters in other locations where you've secured permission. Please allow at least 7 days for production.

Fall recruitment kits will be available for units starting in **August** . Recruitment kits contain the following items:

- Interest Cards
- Yard Signs
- Youth Applications
- Adult Applications
- Sign-in Sheets
- Pens

Other Resources

- BeAScout.org
- BSA Marketing Hub: scoutingwire.org/exploring-tools/marketing/

It's no secret what entices new youth and families to join Scouting and keep them involved: **a well-planned, fun program**. While planning for your upcoming Scouting year may seem daunting or time-consuming, it doesn't have to be. "Being Prepared" ahead of time will ultimately save time and headaches for you and your fellow busy adult leaders who volunteer their time to make a difference .

The planning process for each level of Scouting programs differs slightly based on who's involved and their level of involvement, but consists of the following basic steps:

1. Decide what activities are going to happen.
2. Build a budget based on what those activities are going to cost and other associated costs of running a Scout unit (national registration fees, insurance fees, etc.).
3. Develop a fundraising plan to offset the cost to families and determine a per-Scout fundraising goal.
4. Communicate the plan with your families (and prospective families, too.)

***These vary unit-to-unit based on unit committee.

How to Use Google, Facebook and Adopt-A-School to Promote Your Unit

[How do I create a community Facebook page?](#)

<https://www.facebook.com/pages/create>

There are different kinds of pages on Facebook. Most people have individual pages for everyday use. Businesses and organizations have pages with a broader set of tools. Community pages for units have features like calendars and communications tools that allow them to create and promote events and reach a broader audience. These pages are ideal for unit promotion.

Note: To create a 'Community' Nonprofit page, at the link above, select the box on the top row, center column titled Company, Organization or Institution, and follow the prompts.

[How to Boost an Event on Facebook?](#)

<https://www.facebook.com/business/help/1519209995047756>

Boosting an event lets you promote an event to specific people, in a specific geographic area and at a specific time. Once you have an event set up on you community Facebook page, it's easy to boost the event to even more people.

[How do I create or name a site on Google?](#)

<https://support.google.com/sites/answer/98081?hl=en>

Research shows that parents use search and Facebook to find and learn about organizations and activities for their children. Make sure they can find your unit by creating a web page through Google sites.

[How do I put my unit on Google Maps?](#)

Put yourself on the map with Google maps. It's easy and it's free. Add or edit business information on Maps

<https://support.google.com/business/answer/6174435?hl=en>

Note: If you built your site with Google Sites (Google's web site building tool) go to the Sites page for your unit and look for Map under Embeds. Select Map and follow the prompts.

[How do I promote my Scouting unit with Google Search?](#)

Use Google AdWords. Here's the link to their simple step-by-step process for helping families find your Scouting unit using search. It's easy, affordable and lets you target the audiences you most want to reach. Find out more here:

https://adwords.google.com/home/how-it-works/search-ads/#?modal_active=none

[How to use the ADOPT-A-SCHOOL program to promote your scouting unit in a school?](#)

Using the Adopt-A-School program can build relationships with the schools, principles, and the surrounding community. Personal Contact is the #1 reason people join, volunteer or donate in any organization. The Adopt-A-School helps promote scouting by getting people to talk about what the scouts are doing in the community. For more information please go here: <https://adoptaschool.scouting.org/> Or to Register your unit please go [HERE](#)

Community Event Opportunities

Many units have experienced success in spreading the word about Scouting and signing-up new Scouts by having a presence at community events, many of which are free or inexpensive.

Examples include:

- School Parent Info/Back-to-School Nights
- PTO/PTA/Home & School Assoc. Events
- Meet the teacher
- Parades
- Township Days
- Block Parties
- First Fridays
- National Nights Out
- Festivals
- Bike Rodeos
- Fire Safety Expos
- Events offered by other community organizations
- Events offered by your unit's chartered organization
- Sunday Schools
- Soccer Games
- Sporting Events: Baseball, Soccer, Football, etc.
- Fairs

Make a list of the dates for upcoming events in your neighborhood or community and see which events members of your unit are available to attend. Set-up a table and have pictures of your Scouts participating in fun activities. Plan some hands-on activities to help bring families to your display and distribute give-away items to help engage potential new members. Don't forget to collect contact information from parents or sign-up new Scouts right on the spot!

The Daniel Boone Council also offers Scouting-branded materials for your unit to reserve for community events (subject to availability) including:

- Banners
- Recruitment displays
- Flyers

Call 540.662.2551 to reach your Registrar/Executive to check availability and reserve these items.

Conducting A Membership Inventory

(To be conducted sixty days prior to the charter renewal date during Mid-October to Mid- December)

Purpose:

1. Provides a roll call in which each unit member is contacted to determine quality of program received, to follow up on absent and inactive members, and to see if everyone is registered.
2. Invites each member to continue the program for another year and thus increases tenure of members. The membership inventory is a part of the unit's charter renewal and will assist the unit in building strength with a quality program. It should be conducted sixty days prior to the unit's charter review meeting. Membership inventories are held again in December to be sure all members are registered by year end.
***It is important to have youth and adults registered for safety and insurance coverage.

Instructions:

1. Select a unit adult leader to lead the inventory.
2. Invite your unit commissioner to assist.
3. Using the member roster from My.Scouting.org, the unit commissioner and unit adults conduct an inventory of youth and adults who are still active.
4. All inactive members are listed and assigned to various persons who will visit them or contact them to attempt to reactivate them. Be sure to brief the visitors/callers on what to say when they make their calls.
5. Agree on a plan to recruit new youth and adults so the unit can reregister with no loss in membership. One of the criteria for the Journey to Excellence Unit Award is to renew the unit's charter on time.
6. Now make every effort to recruit additional youth and adults.
7. Be sure to register any youth who are participating, but are not yet registered.
 - If an individual is interested in being a leader, checkmark the "**Interested in Helping**" column on the Parent Attendance Sheet. This will ensure they begin to receive essential resources.
 - Turn in the new youth applications and fees to the District volunteer. Every application has multiple copies, so your pack will be able to keep a copy for your records.
 - **Make sure that someone (Cubmaster, Committee Chair, etc.) calls the District Executive that night to report, and turn in, how many youth the unit recruited.**

Pack Membership Worksheet

Pack: _____

STEP 1: Current # of Scouts on our official roster		
STEP 2: Number of Scouts still on our roster who transferred to Scouting BSA		
STEP 3: Number of Scouts on our roster who aged out/ didn't transfer		
STEP 4: Number of Scouts who dropped out of our unit or were inactive		
STEP 5: Number of Scouts who moved away or plan on transferring to another unit		
STEP 6: Add lines 2 through 5 and enter that value here		
STEP 7: Subtract line 6 from line 1; this is our current "ACTIVE" membership		

What's Next?

STEP 1: Enter the number of Scouts on your previous end of year roster	
STEP 2: Multiply line 1 by 1.1; this is your base growth goal	
STEP 3: Bring over your "active" roster total from the previous table	
STEP 4: HOW MANY TO RECRUIT TO MAKE BASE GROWTH GOAL Subtract line 3 from line 2	

SET A GOAL!!!

If last line above is a negative number, then you're already growing! Time to think big and consider how many additional youth you want to recruit.

Other Goal Setting Ideas to Consider:

How many youth by grade; do you have dens that are un-even or maybe too big and need to split; what if only there were a couple more Scouts? Work that into your goal.

Pack Recruiting Tips

In-School Promotion: If you have full, or even partial, access to promoting Scouting and a sign-up event at the schools, you can apply many of the following best practices.

- Distribute sign-up event fliers the week before the sign-up event.
- Place posters and yard signs around school.
- Conduct talks at the school.
- Showcase a display booth at the back-to-school, open house, meet the teacher, school carnivals, and parent-teacher conferences.
- Post in electronic backpacks.
- Invite current youth and parents to attend lunch at school in uniform.
- Videos on in-school video networks and during daily announcements.
- School newsletters, newsletters, and websites.
- School marquee sign announcements.
- Wear Scout uniform to school
- Facebook Events

School Talks: Where allowed, school talks are significant difference-makers when signing up new Cub Scouts! A school talk is simply visiting each classroom, lunchroom, or assembly-style presentation to get boys excited about Scouting.

Out-of-School Promotion: Here are several ideas for promoting your registration event outside of the schools. These tactics can be done either in tandem with your in-school promotions or on their own if you are not able to get full access to the schools.

Ask current members to use social media like Facebook and Twitter to let their friends and family know about sign-up event nights.

- Personalized invitations, emails, and personal phone calls to prospective parents.
- Door hangers and door-to-door invitations.
- Recruit-a-friend and other peer-to-peer recruiting initiatives.
- Fliers and School Talks at after-school programs or churches in the community.
- Church and community websites, calendars, and bulletins.
- Press releases.
- Billboards, posters, and yard signs in the community (businesses, churches, etc.).
- Community fairs, parades, and other events.
- Setup sample campsites and Pinewood Derby tracks.
- Use Halloween Trick or Treating as an opportunity to distribute recruiting information
- Add recruiting information to popcorn and Scouting for Food flyers

Spring Recruitment

- Spring is ideal for Kindergarten recruitment but should include all grades.
- Ideally, packs offer a couple of unit-wide activities, in addition to Council/District camping opportunities, for new families to participate in during the summer months.
- Packs not offering a full complement of summer programs should still reach out to new families to join as an "Early Registration Period" instead of waiting until the beginning of the busy school year.

Important Considerations for Any Registration Event:

- The parents of every youth who comes to a recruitment event should complete a youth application. The likelihood of them returning decreases significantly when they do not complete the application that night. Additionally, all families should pay Scouting registration fees at the recruitment event.
- Individuals coordinating and speaking at recruitment events should be the highest quality and well-prepared. For many, this becomes their first impression of Scouting, so make it count.
- Keep the recruitment event to less than an hour (ideally 30 minutes), then hold a Parent Orientation Meeting to help introduce new families to your unit at a separate meeting within 7 to 10 days of the recruitment event, ideally prior to the first pack meeting.
- Every application filled out needs to be signed by the parent and the Cubmaster.
- All applications need to be turned in to the unit recruitment coordinator that day, then into the Council service center within 48 hours.
- Parents relate best to schools, because their child goes there, and they are on familiar ground. They will be most comfortable joining at their own school, but when that is not possible use a community resource like the chartered partner's venue. In some cases, packs will need to unify their recruitment efforts because more than one pack recruits from the same school.
- It is recommended the recruitment events be held on Tuesday, Wednesday, or Thursday evenings, and never the day after a major holiday (like Labor Day). School talks should happen 1 to 2 days prior to the recruitment event. Families need advance notice, so "1st day" fliers ideally go out two weeks prior.
- New leaders probably should not be heavily recruited "on the spot" at the recruitment event. They need to be recruited after the recruitment event and prior to the Parent Orientation Meeting
